EXPLORE, BUILD, & TRANSLATE YOUR CAREER JOURNEY

Navigating your career can be challenging. Let the **Center for Career & Life Planning** help you explore your talents, develop your skills, market yourself, build your network, and stay connected!

EXPLORE

- Use Handshake to search for jobs and internships.
- Use Focus 2 to explore majors and careers.
- Use Vault to explore different industries and careers.
- Find videos on Career Spots and Candid Career to learn more.

CHAMPION

- Utilize the Center for Career & Life Planning for life!
- Pay it forward by sharing industry insight or mentoring a student through Career Champions.
- Attend networking events through CLP or with local alumni chapters.
- Post jobs and internships for students and alumni on Handshake.

DEVELOP

- Consider graduate school, take practice tests, and prepare your application.
- Take a Career & Life Planning course along with courses in your field of interest.
- Develop sought-after skills in organizations and companies.
- Use Lynda.com to seek out and build in-demand skills.

MARKET

- Use LinkedIn to showcase achievements.
- Receive feedback on resumes and cover letters.
- Apply to jobs, internships, and job shadowing opportunities.
- Practice interview skills on Interview Stream or at CLP.

NETWORK

- Connect with professionals in your desired field.
- Attend Employer Spotlights, site vitists, and more.
- Connect with alumni on LinkedIn and build your network.
- Attend the Career & Internship Expo.
