

## MAYMESTER 2017 CLA REGISTRATION INFORMATION

This Class Schedule Bulletin provides course and content information to students and faculty advisors. Information provided in this Bulletin, posted on the Office of Student Records website, or provided in other scheduling documents, does not constitute a contract between Rollins College and the student. Rollins College makes every effort to ensure that this Bulletin contains complete and accurate information at the time of posting. However, circumstances may arise that require the College to change or cancel (partially or completely) existing policies, rules, or program offerings. **Reasonable efforts are made to notify students affected by such changes as they occur. However, students are responsible for staying apprised of changes by checking the schedule posted at [http://r-net.rollins.edu/studentrecords/current\\_course\\_schedule.html](http://r-net.rollins.edu/studentrecords/current_course_schedule.html).**

Courses dropped **with penalty** ("WF" on transcript) beginning May 23, 2017.

**Notification from the instructor, written or verbal, or failure to attend class does not constitute withdrawal. Students who abandon a course without completing proper withdrawal forms receive grades of 'WF.'**

Instructor signature is required for all course drops after the session begins. "W" grades are assigned for withdrawals after the second class day, but before the Drop Without Penalty Deadline. "W" grades do not affect the grade point average, but do appear on academic records (transcripts and grade reports).
