### ADMISSION OPTIONS

Are you selecting the Test Score Waived Option?  Yes  No

The Test Score Waived Option is NOT appropriate for applicants wishing to be considered for academic merit scholarships. Candidates selecting the Test Score Waived Option must submit supplemental materials:

- A representation of your strengths, talents, or interests — anything that helps us better understand who you are and your potential to contribute to the Rollins community. Your representation is limited only by your imagination and creativity. Examples of what past applicants have submitted are YouTube videos, DVDs, or slide shows of their athletic or artistic talents, Power Points or scrapbooks of their background, interests, or accomplishments, music or poetry they composed. It is very important that your representation is prepared specifically for your Rollins admission application and is not something you used for another purpose.
- A teacher recommendation from one of your core academic courses during the junior or senior year.

You are applying for (select one):

Early Decision - Round I     Early Decision - Round II     Regular Decision

- Early Decision is a binding program. Two rounds of Early Decision are offered. Accepted students are expected to withdraw applications from other colleges. Early Decision Round I application deadline is November 15; notification date is December 15. Early Decision Round II application deadline is January 15; notification date is February 1.
- Regular Decision application deadline is February 15; notification date is April 1.

Would you like to be considered for the 3/2 Accelerated Management Program?  Yes  No

- The 3/2 Accelerated Management Program (AMP) results in the Bachelor of Arts (BA) from Rollins and the Master of Business Administration (MBA) from Rollins' Roy E. Crummer Graduate School of Business. First-Year admission is highly selective; admitted candidates are expected to maintain a 3.2 or higher grade point average and score at least 600 on the Graduate Management Aptitude Test (GMAT) in order to matriculate in the Crummer School.
