Rollins is in the heart of Central Florida, located minutes outside of Orlando in the city of Winter Park. In and around Orlando, FL there are a host of cultural activities and attractions including professional sports, theme parks, and other attractions. Cocoa Beach, which is the beach nearest to Rollins, is only 45 minutes away by car. Rollins is served by Orlando International Airport (MCO), which is a large airport hosting daily flights from all over the world.

The Office of International Students and Scholars Services is available to help both current and future students with their visa process to attend Rollins and acclimate them to the American culture.
