DEAR ALUMNI AND FRIENDS,

Cradled between the Atlantic Ocean and Caribbean Sea, just 90 miles from Florida, lies an island of pivotal history and lush natural beauty, of rich artistic tradition and architectural grandeur. Off-limits to most American travelers for half a century, Cuba—one of the world’s most enigmatic countries—is ready for you to unravel its mysteries.

As diplomatic relations between Cuba and the U.S. continue to develop, now is the perfect time to experience this long-isolated nation on the verge of great transformation. Join us on an extraordinary people-to-people exchange, specially designed to reveal the authentic spirit and culture of Cuba—where 1950s-era automobiles still roll past magnificent Spanish colonial buildings. Together we’ll encounter the true heart and soul of this colorful country by engaging with the diverse, inspiring people who call it home. From artists and students to entrepreneurs, you will connect with a variety of citizens to gain real insight into Cuba’s intriguing past, present, and future. Throughout this week-long journey, you’ll explore the island firsthand, with insider access to unique cultural experiences and off-the-beaten-path sites you won’t find on the typical tourist’s itinerary. Whether visiting a private artist studio in lively Havana, the remote eco-village Las Terrazas, or the beautifully preserved colonial cities of Trinidad and Cienfuegos, each destination will spark meaningful interactions and memories that last a lifetime.

With only enough space for up to 25 travelers, this trip will fill up quickly. Don’t miss the chance to immerse yourself in the fascinating heritage of Cuba, one of the most complex and vibrant nations in the world, during a time of historic change.
