526 Park Avenue South

<http://www.lecafedefrance.com/>

Barry Levis's favorite restaurant in Winter Park. Claire and Jim find the service somewhat snooty, but that might just be authentic French.

Sakura

**** \$\$

(407) 740-8018

Melanie Osborn (former editorial assistant) is a fan. Annabel, not a fan of sushi, thinks the tempura offerings are pretty decent.

Power House Café

*** \$\$

(407) 645-3616

111 E Lyman Ave

<http://www.powerhousecafe.com/>

Alexandra thinks the strawberry, banana, and peanut butter pita is amazing! Accompany this with one of their famous smoothies and you're set to go! One of those healthy, yet filling, restaurants on park.

Park Plaza Gardens

**** \$\$\$

(407) 645-2475

319 S Park Ave

<http://parkplazagardens.com/>

Claire thinks that the restaurant food is overpriced and unimpressive. Bar food is great, though, as are their gin and tonics. Sit on the sidewalk for a true Winter Park experience.

**** \$\$\$

(407) 647-7277

310 South Park Avenue

<http://www.310parksouth.net/>

Julian Chambliss's favorite. The burgers and salads are fabulous and the beer selection vast. Best calamari in town.

Houston's

***** \$\$\$

Annabel likes Houston's. Not too stuffy, neat casual dress. During the summer you can even get away with wearing shorts. The tuna and mango salad entrée is out of this world! Watch the sunset over Lake Killarney.
