

## 2011 – 2012 FINANCIAL AID APPLICATION

The Office of Financial Aid administers financial aid awards to qualified students in the form of scholarships, grants, loans, and on-campus employment. A variety of federal, state, and institutional financial aid programs are available. Please refer to the Rollins Catalogue for a complete listing of programs.

Most financial aid awards consist of a package of grants or scholarships, state funds, loans, and employment, and are based on the family's ability to pay as determined by federal need analysis formulas. Some programs give priority to academic, athletic or other talent, or state residency. All students who feel they cannot afford Rollins are encouraged to apply for financial aid.

### TO APPLY FOR FINANCIAL AID

1. Apply for Admission to the Rollins College Arts and Sciences program.
2. Submit a Rollins Supplemental Financial Aid Application to the Office of Financial Aid. This form must include original signatures.
3. Complete a Free Application for Federal Student Aid (FAFSA), online at [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov). Be sure to list Rollins College, code 001515, as a recipient of your information. Do not mail any other forms or letters with the FAFSA. Allow six weeks for processing.
4. If you meet the requirements for Florida residency for financial aid purposes and did not complete one in a previous year, then please complete the Florida Residency Affidavit, located under "Forms" at: [rollins.edu/finaid](http://rollins.edu/finaid). Residency requirements are provided with the application.

### PRIORITY DEADLINES

The Financial Aid Application (including FAFSA, Rollins Supplemental Financial Aid Application, and copies of federal tax returns) priority deadline is **March 1 for first-year** and **April 15 for returning and transfer students**. Late applications will be accepted; however, late awards will be contingent on available funding. Please allow a minimum of 30 days after the application is complete to determine eligibility.

### TENTATIVE AWARDS FOR NEWLY-ADMITTED STUDENTS

If you are a new student, a tentative offer of financial assistance will be mailed to you when you have completed the above steps and have been accepted for admission. If your award is based on financial need, verification of your application will be required to finalize the award. You will be asked to submit copies of your income tax returns and other pertinent documents to verify that your original application was accurate. If any errors or conflicting information are found, your award will be reprocessed and adjusted accordingly.

All tentative offers will be contingent upon your meeting the final eligibility requirements for each of the individual programs listed.

Student loan recipients will be required to complete a promissory note and participate in an entrance counseling session prior to receiving the first loan disbursement.
