REGISTRATION DOES NOT IMPLY ENDORSEMENT, APPROVAL, OR RECOMMENDATION BY THE STATE. NO PROFESSIONAL SOLICITORS WERE HIRED. HEART OF FLORIDA UNITED WAY RECEIVES 100% OF YOUR CONTRIBUTION.
Investing In Results (8000)

By donating to the Investing in Results general fund, you are investing in proven programs that are changing lives. We are helping children start school ready to succeed, giving families financial literacy skills to care for themselves and their children, and collaborating on projects to help residents be safer and healthier in their own homes and neighborhoods.

Your investment, combined with thousands of others, makes the greatest possible impact in improving lives – not just today, but for generations to come.

You may choose to support the general fund, overseen by local expert volunteers who review programs, understand and prioritize community need and ensure your donation does the most good – or you may choose one or more of the specific Investing in Results focus areas:

(8408) Developing Healthy Children and Families
Improve health for children, youth and adults by providing programs that support healthy beginnings, access to healthy choices and encouraging family engagement and lifelong health education.

(8409) Building Safe Communities Through Education
Boost every child’s chance for success in school, work and life. United Way has put a stake in the ground on education with our national goal to cut the number of high school dropouts in half by 2018.

(8410) Improving Financial Stability
Address the five major building blocks of financial stability in order to provide low-income working families the services and supports necessary to succeed.

(8411) Alleviating Hunger and Homelessness
Prevent hunger and alleviate homelessness for Central Floridians by providing food and supportive services to low-income and homeless individuals and families through programs and initiatives that provide case management, shelter, meals, counseling and access to community resources and mainstream public benefits.

Heart of Florida United Way Special Initiative Programs

(8040) United Way 2-1-1
United Way Volunteer Resource Center
The Volunteer Resource Center successfully connects individuals, families, students and corporate volunteer groups with opportunities to serve in the community. More than 100 agencies receive assistance in recruiting, training and managing volunteers whose work helps stretch precious dollars.

FamilyWize Discount Prescription Drug Program
Offering average savings of 35 percent on retail prescription prices, the FamilyWize program helps people afford the medications they need. FamilyWize cards, available for free through United Way, are honored by 95 percent of U.S. pharmacies. No paperwork is required and cards can be used by everyone – regardless of prescription insurance status.

Earned Income Tax Credit (EITC)
Credited with lifting more children out of poverty than any other federal program, EITC offers tax credits of up to $6,000 to help eligible people improve their financial stability. Promoted through United Way’s Prosperity Campaign of Central Florida, EITC also provides a significant boost to the local economy – $551 million – more than half a billion in refunds were distributed in the tri-county region last year alone.

Our Past and Present
For 75 years, Heart of Florida United Way has improved the lives of millions of Central Floridians. As the community has grown and changed, so have we. No longer solely a fundraiser, we’re working with community partners to find long-term, strategic solutions for problems that impact lives and send ripple effects across our region. Join us to make a difference and LIVE UNITED. Visit www.hfuw.org to learn more.
