# Gateway Arches

Use the space below to reflect on what you would like to accomplish in your college career and how Rollins can help you.

## Personal

Where would you like to live or visit? How will you engage with your community? Are there certain things you would like to accomplish in your lifetime?

## Academic

Are there majors or minors you would like to explore? Do you want to study abroad for a semester or summer while a Rollins student? Are you thinking about going to graduate school?

## Professional

What jobs or industries interest you? Would you like to do research with a faculty member and/or have an internship experience while you are at Rollins? Have you visited the Center for Career and Life Planning?
