

Brian Carroll

Brian G. Carroll is President of FleetBoss Global Positioning Solutions, Inc. He joined FleetBoss in 1999 with over 23 years of experience in operations and sales management.

Prior to his appointment as FleetBoss president, Mr. Carroll helped to develop highly successful entrepreneurial businesses, including CrimeBlocker, Inc. where he served as Vice President and Chief Operating Officer. Other positions he has held include Regional Vice President for Scott Alarm and General Manager for Security Link/Ameritech.

Mr. Carroll has extensive expertise in sales, management, financial performance, organizational effectiveness and leadership development, both in direct-to-consumer and B2B enterprises. Areas of specialty include: leadership, team building, executive coaching, organizational learning, culture and change management, innovative fleet management practices, and security operations.

Mr. Carroll holds a Masters of Business Administration from Crummer Graduate School of Business and an undergraduate Bachelors of Science Degree, with honors from Rollins College.
