

## Richard Licursi

Richard Licursi is the Executive Chairman and co-founder of Spectrum Bridge, the world's first online commodity exchange exclusively for the dynamic trading of wireless spectrum. Prior to Spectrum Bridge, Licursi was a co-founder, President and CEO of MeshNetworks Inc., which became recognized as the global leader in mobile mesh networking technology. Upon Motorola's acquisition of MeshNetworks in 2004, he held the position of Vice President and Director of Operations for the Mesh Product Group at Motorola.

Mr. Licursi has worked with early stage companies for most of his 35-year career. He has raised nearly \$72M from venture capital firms and has provided investors more than 7 times the return on their investments. He has successfully exited 4 Companies, 3 of which he co-founded and 4 of which he was president and CEO.

Mr. Licursi is a graduate of St. Peter's College. He and his wife Frieda have two grown children and reside near Orlando, Florida.
