

“Amazing energy! Expert-level, personable instructor who is clear, patient, and very funny 😊”
- Darcee H. DrFirst, Inc.

“Mark is a very engaging instructor and clearly passionate about this course and helping students [with] equal part knowledge/humor 😊” - Jen B. DrFirst, Inc.

“Great information, active learning environment” - Katherine S. Disney

“A lot of useful information was presented in a short amount of time and in a very enjoyable manner.” - Kenneth B. Mitsubishi Hitachi Power Systems Americas

“This is very good. It provides good study materials and strategies.” - Quantrel J. Agency for State Technology State of Florida

“I thought the course did a great job in sharing an understanding of the [PMP] exam as well as how to approach the application process and testing” - Matthew T. DaVita Medical Group

“This course was enlightening and perhaps the most thorough dive into specific PMP topics I could have hoped for” - Daniel S. Universal Orlando

“This ... [class] was a great crash course to know how to approach the PMP test. There is an abundance of information to help prep [for the exam]” - Kathryn D. Disney

“I came into this class expecting much more theory and was pleasantly surprised to find that it was mostly strategic with a good mixture of theory. The test preparation strategies we received this week are invaluable and I am convinced that I have been properly prepared to pass the PMP exam” - Michelle C. Universal Orlando

“Mark is energetic and knowledgeable. This material will no doubt prove to be helpful. The ... [experience] verification spreadsheet is an invaluable tool in the application process” - Charlton W. Construction industry.

“[The class is an] ‘eye opener’... [Class is a] great prep to set correct expectations ...” - Esteban G. Mitsubishi Hitachi Power Systems Americas, Inc.
