

COMMENCEMENT PARKING

Because of some of our current construction projects underway during Commencement, vehicles are only able to enter campus via New York Avenue or Park Avenue. If you are handicapped, elderly, have special needs or are mobility challenged in any way, we can accommodate you. Please go to the Alford Sports Center Parking lot. All other parents should utilize the SunTrust Garage, where parking will be free for the day.

Parking for the Rollins College Commencement Ceremonies will be limited. **Please plan ahead!**

- **Free parking options**
 - The SunTrust parking garage is the first/best option
 - A drop-off area will be available at this lot.
 - **On-campus parking will be on a first come, first come basis.**
 - Drop off will be permitted at the intersection of Holt and Chase Aves.
- Other parking may be available in the City of Winter Park on public streets.

Faculty and staff attending Commencement Ceremonies should park in the SunTrust parking garage.

If you have any questions or concerns about traffic or parking during these events, please contact Campus Safety.

Thank you,
Office of Campus Safety, Rollins College
