

## Admission to Rollins College Teacher Education Program Application - GRADUATE

**Submit with this application a 2-3 page typed essay describing why you want to be a teacher**

Each graduate student who intends to seek a teaching certificate in elementary or secondary education **must apply for admission to the Teacher Education Program in addition to admission to Graduate Studies in Education.** Students apply by completing this form during their first term at Rollins. Students who are enrolled in courses for certification only, must also complete this form immediately after the first semester at Rollins. Approval of this application allows the student to take more than the six semester hours to which special students are limited.
