

The MPH program is a 46 credit hour lock-step curriculum that begins in the fall semester.

Students will be required to complete a sponsored practicum (internship/fieldwork experience). The Practicum must consist of a total of 4 credit hours that may be completed during one semester or over the course of multiple semesters.

**Full-time Program of Study (21 months)**

	Complete (✓)	Course	Hours
FALL	<input type="checkbox"/>	<b>MPH 500</b> Survey of Human Disease	2
	<input type="checkbox"/>	<b>MPH 510</b> Research Methods for the Health Sciences	4
	<input type="checkbox"/>	<b>MPH 520</b> Health Promotion and Disease Prevention	4
