GET INVOLVED WITH CLCE
Rollins College educates students for global citizenship and responsible leadership. The Center for Leadership & Community Engagement (CLCE) inspires action and cultivates positive social change through leadership development and community engagement.

Self-Awareness and Personality Inventories: Learn about yourself, skills, and strengths through the use of personality inventories such as the Myers-Briggs Type Indicator (MBTI), Gallup’s StrengthsQuest, the Leadership Practices Inventory (LPI), and True Colors. Each instrument highlights personality differences as well as strategies to develop your leadership capacity and self-efficacy, increasing your ability to engage in teamwork with others!

Community Engagement (CE) Courses
At Rollins, courses with a community engagement component (including service-learning, and/or community-based research) are being offered under the CE designation in the Rollins Course Catalogue. Students reflect on how service and research influences their understanding of the subject. CE courses engage students in roughly 15-30 hours of direct community-based work throughout the semester with non-profit organizations throughout Central Florida.

Rollins Immersion: Citizens Take Action
Immersion exposes students to critical cultural, social, political, and structural issues in the community through weekend and weeklong experiences of civic and community engagement throughout the academic year. These experiences help participants begin to understand the systemic issues facing the world today in hopes of finding a passion for change and service.

JUMP
Join Us in Making Progress
JUMP is an all student led committee that does everything from connecting with community partners to organizing events with them, bringing children on campus, going to homeless shelters, and working with other student organizations on campus.

GET Hooked On Service
Community Fair
Annual event that allows students, staff, and faculty to meet student organization and community partners from around the Central FL community. Rollins members are able to learn about the missions of these organizations as well as upcoming service opportunities.

Pathways Program
The Pathways Program incorporates different opportunities that work with K-12 students in order to reach them at all points along the awareness to preparedness spectrum. The Pathways Program will provide a home for opportunities dealing with education.

LEADERSHIP ALLY PROGRAM
LAP
The Leadership Ally Program provides students an opportunity to attend various leadership conferences or institutes. Each fall these student travelers return to campus with a renewed vigor and dedication to put their new skills to use in creating change. Each of the students participating in leadership conferences or institutes are paired up with a faculty or staff member who serve as their ally in their leadership journey.

Democracy Project
The Democracy Project at Rollins College is intended to increase and elevate the civic engagement of the Rollins community. Through the Democracy Project, you can learn more about how to participate in the democratic process!

1 Minute Difference
Rollins faculty, staff, and students have the opportunity to take part in making a difference in Central Florida in only 5 minutes right outside the Cornell Campus Center. Projects are hosted Thursdays 12:30 - 2:00 p.m.
Rita Bornstein Student Leadership Forum
Honors past Rollins President, Rita Bornstein, and her extraordinary leadership. Because of Bornstein’s commitment to educating students for leadership in their careers and communities, the program creates opportunities for Rollins students to enrich their educational experience through special interactive programs that bring demonstrated leaders to campus.

Omicron Delta Kappa
Omicron Delta Kappa is a 100-year old national leadership honor society that recognizes not only academic achievement but also campus leadership across the five phases of campus life. Membership is open to faculty, staff, alumni and graduate students.

Rollins Relief
A student global service organization committed to assisting in local and international relief efforts. Rollins Relief has sponsored relief trips for students, faculty and staff journeying to St. Bernard Parish, New Orleans to assist with the rebuilding of the region. Rollins Relief also creates additional opportunities to serve and lead including trips to New Orleans and local community relief projects.

Holiday FunFest
An annual event in December that brings over 50 foster children from the Central FL community to the Rollins campus during the holiday season to participate in games, crafts, and other holiday activities. Volunteer opportunities include: being a buddy for the day to one of the children, purchasing a gift for one of the children, or running an activity table.

Leadership Planning Team
LPT team members are given the opportunity to develop their own leadership skills in a variety of areas, including event planning and management, budgeting, marketing, and public speaking. Ideally, having students as part of the planning process will increase the popularity and interest level of leadership programs, specifically in regard to the Rita Bornstein Student Leadership Forum and student leadership workshop series.

Student Support Foundation
The Student Support Foundation at Rollins College is an organization open to students who are interested in learning about the skills of service and philanthropy by providing short-term assistance and long-term support to fellow students.

The VolunTAR
Online database that shares upcoming service opportunities happening on campus and in our community. Check out the database on the Leadership and Community Engagement website or keep an eye out for VolunTAR emails to be in the know about ways to get involved.
