

## INTERNATIONAL BACCALAUREATE (IB)

Credit for IB course work is granted for students with an IB diploma, on a course by course basis. Students with an IB Diploma and a score of thirty (30) or better will be awarded one year (thirty-two [32] semester hours) of credit. Students without the Diploma, or with the Diploma and a score of less than thirty (30), will be awarded eight (8) semester hours for each higher-level score of five (5) or better and four (4) semester hours for each score of four (4) or better (on a higher or subsidiary level), to a maximum of twenty-four (24) semester hours. General education credit will be awarded as appropriate, to be determined by suitable bodies. Advanced placement will be awarded for major courses, subject to departmental approval. Students who present both IB and AP work in the same subject area will not be awarded double credit.
