Undergraduate students may elect to take a course on a credit/no-credit basis by submitting this form to the Office of the Registrar by the published deadline. This is usually no later than the 10<sup>th</sup> day of each term – see the official academic calendar for specific dates. The following conditions apply:

1. If a grade of 'C-' or better is earned, a mark of 'CR' and the appropriate number of semester hours are granted. If a grade below 'C-' is earned, the course is abandoned, or the course is withdrawn from after the penalty deadline, a mark of 'NC' is granted. In any case, the grade point average is not affected.
  2. Courses taken under this option may not be used to fulfill general education, major, minor, or concentration requirements. Courses with general education designations for which the CR/NC option is elected will not earn general education designations.
  3. Once the CR/NC declaration is made for a given course in a given semester, students may not later request that the CR/NC be changed to a letter grade. In a subsequent semester, students may repeat a course graded CR/NC for a letter grade, but will not earn credit hours for the course a second time (see Repeated Course catalog policy).
  4. No more than one (1) course per term may be credit/no-credit, and a maximum of four (4) such courses may count toward graduation.
- **Students are responsible for discussing the credit/no-credit option with their academic advisor and Financial Aid to understand implications on degree progress and aid.**
